

Bella Stone™ Custom Bath Wall Warranty

Milestone Bath Products warrants products for the life of the product against defects in material and workmanship.

Milestone Bath Products warrants that the surface will be free from cracking under normal use and when cared for under the guidelines set forth by Milestone Bath Products. These guidelines expressly prohibit the use of any abrasive cleansers and damage resulting from their use and any such use would therefore not be covered under the terms of this warranty. Since any fixture, including a new one, can be chipped or scratched by hard objects impacting the surface, we cannot warrant against this type of damage. In addition, the following items or conditions could damage the acrylic surface and therefore void this lifetime warranty: damage resulting from contact with dyes, paints, inks, certain cosmetics, or cleaning agents, abrasive pads, pigments, certain foods, paint remover, fingernail polish remover, solvents or other chemicals, cigarettes or other sources of extreme heat or damage resulting either directly from misuse or abuse, whether deliberate or unintentional. Improper installation, cutting, drilling or fastening into or onto wall systems, fading, yellowing, cracking where cut, peeling and chipping are specifically not covered.

In the event of a failure of the acrylic surface under these terms, Milestone Bath Products reserves the right to partially repair, completely replace, or provide a full or partial material cost refund, whichever Milestone Bath Products deems appropriate in its discretion.

This warranty is in lieu of all warranties, expressed or implied, and is, in fact, the only warranty in regard to wall surrounds offered by Milestone Bath Products **This warranty will be extended to systems which are installed utilizing only installation materials purchased from Milestone Bath Products and will be void if any other installation materials are used.** In any event, Milestone Bath Products shall be responsible only for repairs or a refund not exceeding the total amount originally paid for the Bella Stone™ system. Milestone Bath Products will in no way be liable for any losses, time, expenses, inconvenience, or incidental damage. This warranty does not cover installation and installation must be done by a Milestone Bath Products certified installer, or the warranty is voided. The installation warranty may be covered by the original installation company.

Cleaning and Care

Use only cleaning products whose labels state that they are safe for acrylic. We recommend the use of Milestone™ brand bath cleaner.

Harsh scrubbing or prolonged soaking will not be necessary. Avoid harsh chemicals and disinfectants. The use of cleaners not recommended for acrylic may cause serious damage. Repair or replacement made necessary by the use of inappropriate cleaners is not covered by the warranty.

Always rinse any cleaning product off of the tub and wall surfaces immediately. Cleaners should not be allowed to remain on the acrylic surface for any length of time.

Acrylic surfaces may require occasional polishing to remove hard water build-up and bring back the high-gloss shine. Products such as "Gel Gloss" are recommended for this purpose.
