## Cleaning & Maintenance

---

### Recommended Cleaners:

- ✓ Fantastic
- ✓ Windex
- ✓ Tilex spray
- ✓ 409 spray
- ✓ Lime Away spray
- ✓ Fabuloso
- ✓ Green Works
- ✓ Spic & Span spray
- ✓ Pine Sol
- ✓ Simple Green

### Do Not Use:

- ✗ Abrasive or gritty cleaners
  - ✗ Scotch Brite Pads
  - ✗ Magic Eraser
  - ✗ Comet Powder or Soft Cleanser
  - ✗ Strong solvents  
(thinners, acetone, MEK)

Care and maintenance of your Sentrel surround is easy using common household cleaners. Clean with a soft sponge or cloth, and mild, non-abrasive cleaners. Often, warm, soapy water and a sponge will be adequate for regular maintenance. Sentrel products have no grout lines to clean, and are non-porous, so sealing is never required. Use of unapproved cleaners may damage or dull the glossy surface of Sentrel products, and will also void the Sentrel warranty.

This warranty applies to Sentrel products that have been installed by a Sentrel factory-trained dealer in accordance with Sentrel Bath Systems installation instructions, as recommended, and not damaged due to misuse, abuse or improper installation. This warranty will remain in force only for the original purchaser and original installation of these products in residential indoor applications.

### What this Warranty Does Not Cover

Damage caused during shipping, whether noted at the time of receipt or not, or by improper unloading, moving or other form of handling of the panels. Damage caused by improper cleaning or by the use of cleaning products not recommended by Sentrel Bath Systems. Changes made to the product by professional tradesmen or fabricators, or damage caused through fabrication or installation error. Variation in color that is inherent in the several Sentrel patterns, or slight differences in tone from one batch to another. Costs associated with installation or removal of Sentrel products. This warranty does not apply to Sentel materials installed by anyone except a factory-trained dealer.

### What Sentrel Bath Systems Will Do

If the Sentrel product covered by this warranty is found by Sentrel Bath Systems or one of its authorized representatives to be defective in materials or workmanship, Sentrel Bath Systems will repair, or, at its option, exchange the product for a similar panel or trim piece. Sentrel Bath Systems' option to repair or exchange Sentrel material under this warranty does not cover any labor or other costs of removal or installation, nor shall Sentrel Bath Systems be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product.
